Kia ora, Caregivers and Students

Due to a confirmed case in Hawkes Bay, the Ministry of Health and Education have now advised

- All students who attended the Sound Splash Music Festival last weekend must begin self-isolating immediately and get a Covid-19 test as soon as possible.
- They must only leave self-isolation to get a test and remain in self isolation until they receive a negative test result.
- The National Contact Tracing System Team (NCTS) will be in touch with anyone who is deemed to be a close contact. If you receive a negative test result and have no symptoms, you do not need to continue isolating if you have not been contacted by the NCTS. Please continue to monitor for symptoms and get tested if symptoms appear.

Please do not hesitate to get in touch if you have any queries or concerns.

Ngā mihi
