Term 2

Issue 9, 20 June 2019

Message From Our Principal

The past few weeks have been a very busy time for staff and students. Many students have been participating in winter sports codes, some juniors have been preparing for the music festival in the last week of term and all are preparing for their speech competition. This week our Year 12 students are having careers interviews and are completing career exploration activities.

At the end of this term you will receive your child's school report. Parent interviews will be next term during week two. It is important to read and discuss the report with your child. Attendance at parent teacher interviews also enables you to get a better picture of where your child is achieving and what their next steps are. We encourage you to attend to have these learning conversations.

Last week we added another prefect to our student leadership team. Mel Atwanger has displayed personal excellence in his academic studies on a consistent basis and he is supporting others in their learning. Mel has been awarded the role of Academic Prefect for the remainder of this year.

Last week at assembly we also awarded badges to ten Year 11 students who have displayed leadership potential and our values of Manaakitangi, Resilience, Kotahitanga and Respect. Students, teachers, deans and senior leadership recommendations were gathered before we whittled down to the ten students selected. Mrs Broomfield will work with these students to develop their leadership potential. She will be looking for other students for other potential leadership positions throughout the year.

Ngā mihi nui,

YEAR 11 STUDENT LEADERS

Wairoa College is very proud to name our first cohort of Year 11 student leaders for 2019:

Tamara Stewart, Ruby Mildon, Sibrina Tawera, Zhana Poni-Whakamarurangi, Materoa Edwards, Monica Stewart, Teancum Scotson, Coral Nepia, Tane Williamson, and Diezel Gore.

We want to build and nurture leadership across Year 11 in preparation for Years 12 and 13, and provide positive role models across the school dimensions of Academic, Sport, Culture and Wellbeing.

A student leader strives to change the world by starting with their own community. Our Year 11 Student Leaders are positive role models, and promote our school values of manaakitanga, kotahitanga, resilience, respect and personal excellence. They will be mentored and supported in their roles, and work in partnership with staff and the wider community to promote student engagement, achievement and wellbeing.

Year 11 students helped to develop this initiative and welcomed the opportunity for Student Leadership. Earlier this term, at a Year 11 hui, they identified core values and attitudes of potential student leaders, as well as nominated students for the role, which informed the subsequent selection process. Staff were also involved before a selection was made for this initial group. Positive role models of our school values was a critical selection factor for both students and staff. We intend to further build and add to the student leadership team this year.

The Year 11 Leadership team, supported by their Dean, will undergo further consultation with the Year 11 students around how we can best support them to achieve personal excellence, and the opportunities they would like to see at Wairoa College. Any member of our community who would like to support the school in this endeavour please contact the Year 11 Dean Mrs Broomfield. This could involve sharing your experiences as a leader, leadership mentoring or initiatives for student leadership.

HopeOne comes to Wairoa College!

The morning of Friday 14th June was full of excitement as selected students participated in a beat-boxing workshop with award-winning female beatboxer Hope Haami, who goes by her performance name HopeOne.

Hope hails from Whanganui, and is now based overseas in Brisbane. She has spent numerous times touring the world performing at many different locations. Hope also teaches the basic (and advanced) skills of beat-boxing to different groups of people.

Here at Wairoa College we were lucky enough to have a student workshop which worked on techniques of the voice, producing different sound effects, vowel and mouth shapes, microphone technique and other performance attributes. At one stage we had students playing instruments and Hope accompanying them with just her vocals.

Hope also performed to the entire student body at our assembly, where she also shared with us her inspiring story. A story of confidence building, resilience, and determination. Hope has inspired a number of our students to use their talents for a purpose, and inspire others around them. No matter what others think of you, your opinion is the only one that matters.

Comments made by students after Hope's visit to the college:

"Her story of resilience is exactly what we are being taught at school, and relates to what we do in classes"

"Did she really make all those sounds by herself? Are you sure she didn't have a backing track playing behind her?"

"I'll be watching her name, and hope to see her produce more work for us to keep listening"

"She's inspired by the same artists I listen to everyday – woah!"

Georgia Wallace,
Wairoa College Music Teacher

FORMER WAIROA COLLEGE STUDENT SUCCESS

Brooke Pullar, former student of Wairoa College, was awarded the "Guard Right Hand Guide Award" at the Graduation Parade of the Navy Basic Common Training Course on Saturday 15th June 2019.

In the photo she is being presented with her award by the Reviewing Officer, Rear Admiral David Proctor, RNZN

WINTER UNIFORM

It is so pleasing to see our students wearing the correct uniform.

Since the cooler weather we have seen them rugging up in our school woollen jerseys and black jackets which can be purchased from the Uniform Shop at lunchtime, Monday - Thursday.

If students are still feeling the cold, plain black thermals can be worn under their uniform. Whilst we do not stock these at the uniform shop, they can be worn at school.

Wearing your uniform with pride, sends a strong message to our community, and to your teachers, that you are committed to your learning, and representing your school well.

A MESSAGE FROM YOUR PUBLIC HEALTH NURSE:

As you may be aware there are currently multiple outbreaks of measles in New Zealand and at least 140 confirmed cases reported so far in 2019. Measles is a serious, highly infectious viral disease that is easy to prevent through immunisation. If your child has had two doses of the Measles, Mumps and Rubella (MMR) immunisation they are protected.

As there is a high chance that measles could spread to Hawke's Bay, we urge you take the following steps to make sure your child is protected:

- | | |
|--|--|
| o Check your child has had two doses of | the MMR immunisation. |
| o If your child only has a record of receiving | one dose of MMR they should have another |
| as soon as possible | |
| o If your child has no record of MMR | immunisation they should have one |
| dose now and a second dose FOUR | weeks later. |
| o Immunisation is FREE from your GP or | Practice Nurse. |

Please make sure you have a copy of your child's immunisation certificate, so you can show this to their school if required. If your child has contact with a person with confirmed measles they may be asked to keep away from school for up to two weeks if there is no record of them having been immunised against MMR.

Immunisation is highly recommended as it protects your child and helps prevent the spread of infection in the community when an outbreak occurs.

If you require further information, you can find out more from the Ministry of Health's website www.health.govt.nz/measles
